Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

RAM/1500/2019-2020

Mfr's Report Date: August 27, 2020

NHTSA Campaign Number: 20V-513

Components:

VEHICLE SPEED CONTROL:ACCELERATOR PEDAL

Potential Number of Units Affected: 160,229

Problem Description:

Chrysler (FCA US LLC) is recalling certain 2019-2020 Ram 1500 vehicles equipped with adjustable pedals. In certain accelerator pedal positions, the floormats may prevent the pedal from returning to the normal resting (idle) position.

Consequence:

A pedal that does not return as expected may affect the vehicle's deceleration, thereby increasing the risk of a crash.

Remedy:

Chrysler will notify owners, and dealers will modify the driver's floormat to remove the potential for pedal interference, free of charge. The recall is expected to begin October 16, 2020. Owners may contact FCA US LLC customer service at 1-800-853-1403. Chrysler's number for this recall is W63.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs.
